Everath: This does not affect our releases (we may still be slower than a week tho 0_0). We included this hiatus notice cuz its funny.

Good Robot Hiatus Note

I want to say sorry to the readers who came to read Good Robot this week.

I didn't want to have a hiatus, but I got too greedy and couldn't fit all the materials into one chapter, and had to take the hiatus anyways.

I'll make sure this doesn't happen again.

I'm very sorry to the readers.

Please look forward to next week's Chapter 11
